CHAMBER OF LABOUR ELECTIONS 2019
AT A GLANCE

AK WAHL 2019

WIEN 20.03. BIS 02.04.
The Chamber elections in Vienna will take place from 20 March to 2 April 2019.

Why should I vote?

Because only a strong Chamber of Labour is equipped to ensure workers’ rights are enforced. By casting your vote, you will have your say on the political direction of your interest group over the next five years.

Who will I be voting for?

The 180 members of the General Assembly, which in turn elects the President and other Chamber officials.

How can I vote?

You can vote either at your place of work or by postal vote. Both are quick and easy, and the ballot is secret.

Where can I vote?

You can vote at your place of work if it sets up a company polling station. Most large and medium-sized companies do so.

If you cannot vote at your company, for example due to vacation or a change of job, you can apply for a postal vote. How does this work? You will
receive information from the Chamber of Labour Election Office in good time.

What if your company does not have a polling station? In this case, you will receive a voting card by post. You can either cast your vote by post or in person at one of the public polling stations.

**Am I eligible to vote?**

If you are in employment or working as a freelancer as of 3 December 2018, you are automatically eligible to vote.

If you are an apprentice, in marginal employment (‘geringfügig beschäftigt’), on parental leave, on national or civilian national service, or unemployed as of 3 December 2018, you can apply to be included on the electoral register. You will receive written information on how to do this in good time from the Chamber of Labour Election Office.

**How can the Chamber of Labour Election Office help?**

The Election Office will provide you with all of the key information on the elections in writing. It will inform you personally about:

- whether you can be included on the electoral register, if you are not automatically eligible to vote (January 2019).

- How and when you will receive your voting card (February 2019).

- When and where you can vote (March 2019).
ONLY A STRONG CHAMBER OF LABOUR GUARANTEES EFFECTIVE REPRESENTATION OF YOUR INTERESTS.

BE SURE TO CAST YOUR VOTE!
